

## Reed Block Gasket – Mariner/Mercury 100/115

Outboards listed may have more than one gasket installed between the reed block and crankcase. (Figure 1) Due to production changes, we have returned to installing only one gasket.

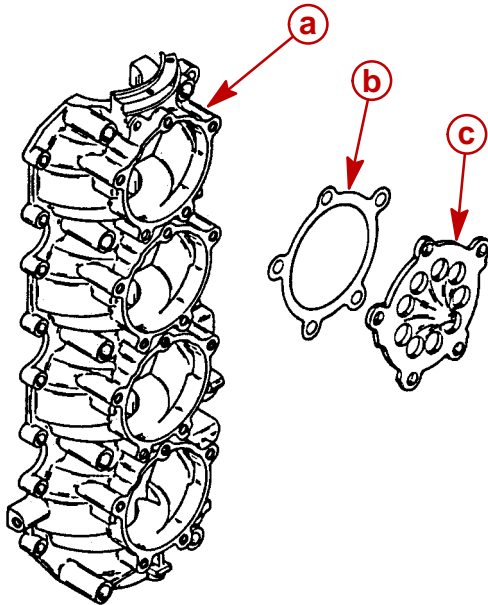

Figure 1.

- a - Crankcase
- b - Reed Block Gasket
- c - Reed Block

### MODELS:

US Production Only – Does Not Apply to Belgium and Canada Built Models.

Mariner 100/115 – S/N 0C227727 – 0C236305

Mercury 100/115 – S/N 0C227727 – 0C236305

### SERVICE PROCEDURE:

When servicing these outboards, install only one gasket P/N 27-13937--2, --4 or --6 between all reed blocks and the crankcase.
