

WMH Carburetor Kit P/N 810750--1 – 135 thru 200

**Mercury and Mariner
1990 and 1991 – 135 thru 200
810750--1 Carburetor Repair Kit**

Previous carburetor repair kit P/N 810750 has been superseded to a new kit P/N 810750--1. In addition to the parts that were in the previous kit, the new kit also contains the components listed:

Qty.	2	Idle Mixture Screw
Qty.	2	Idle Mixture Screw Spring
Qty.	2	Limiter Cap (P/N 810779)

This new kit can be used to rebuild all WMH carburetors with an accelerator pump.
