Mercury Big Tiller Mechanical Kits Without Power Steering

Models Affected

Models Covered	Serial Number
75-115 HP FourStroke	1B366823 and above
75-125 HP OptiMax	0T801000 and above

Scope

Worldwide

Situation

Mercury Marine has revised the Big Tiller mechanical kits without power steering for the above listed models. The existing Big Tiller mechanical kits without power steering for the above listed models will be made NLA (no longer available) when Mercury stock has been depleted. As part of this revision, the shift and throttle cables required for these models will change.

NOTE: Big Tiller kits with power steering are not affected by these changes.

The following chart should be referenced for the correct Big Tiller mechanical kits without power steering for the previously listed models.

Mercury Big Tiller Mechanical Kits Without Power Steering Supersession Chart

Engine Model	Current Big Tiller Kit	New Big Tiller Kit
75-115 HP FourStroke 1B366823 and above	879291A02 (NLA)	8M0074795
