Bulletin Binder"

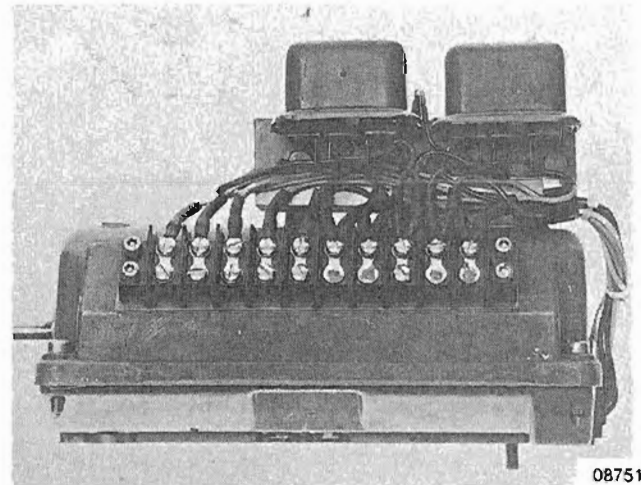

## WANTED

### 215E Shift Actuators & Remote Control Shift Switches

Old Style Actuator

17477

New Style Actuator

08751

Mercury Marine occasionally receives requests for 215E shift actuators. These actuators are no longer available due to our inability to obtain some of the major components. In an effort to satisfy our customers, we are attempting to compile a list of dealers who have new or used shift actuators in their inventory which they desire to sell. If you have some of these actuators, please fill out the attached form and return it to the address listed on the form. Also indicate on this form if you have any 215E remote controls or shift switches. Information on this form will be given out to interested parties and they will be advised to contact you directly.
