Situation

There have been questions from the field regarding the use of the Rinda™ scan tool and Diacom™ Marine diagnostic software for diagnosing Cummins MerCruiser Electronic Diesel engines. Both are compatible with the Cummins MerCruiser Electronic Diesel engines listed above.

The Diacom™ Marine diagnostic software also has the capability to capture and record data.

Rinda Technologies™ handles all of the sales and support for these tools and they must be ordered through Rinda Technologies™.

IMPORTANT: Diacom™ Marine diagnostic software cannot be installed on Powersweep laptops. You must use a separate laptop to run this software.

For more information, pricing, ordering, and support visit www.rinda.com.
