

## RIDE GUIDE OUTBOARD POWER STEERING

Mercury Hi-Performance Service Department has received a few reports of Ride Guide Outboard Power Steering being installed on Hi-Performance Outboards.

### **⚠ WARNING**

**Ride Guide Outboard Power Steering is meant for 70 thru 200 H.P. installations. The power steering system has not been validated for use on Mercury Hi-Performance Outboards. Installation on Hi-Performance Outboards may lead to failure of the steering components, and/or serious injury or death to passengers.**

Dealers and boat builders will be notified by Service Bulletin if there are any changes in the future that will allow the use of Ride Guide Outboard Power Steering on Hi-Performance Outboards.
