Steering Information for Multiple Engine Applications

Models Affected

Models Covered	Serial Number Or Year
Verado 400R	All serial numbers

Scope

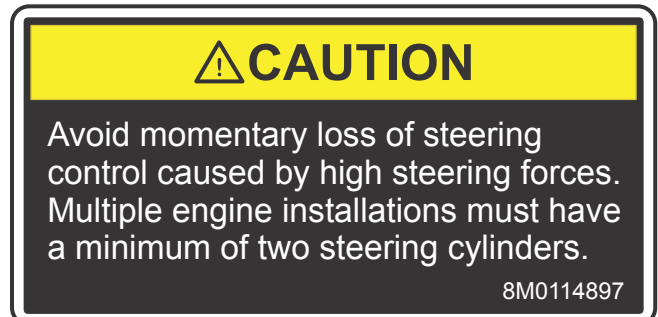

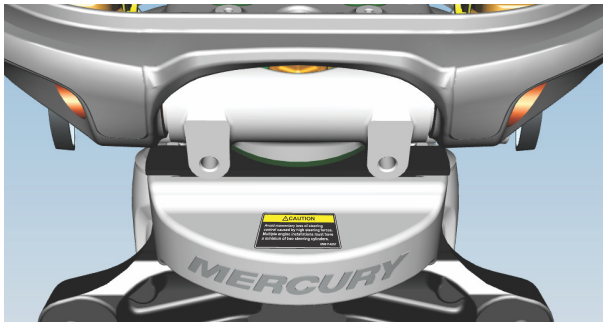

Worldwide

Situation

Applications with multiple Verado 400R engines must have a minimum of two steering cylinders. When installing two cylinders in this type of application, it will be necessary to use a 50 cc or greater displacement helm to limit the number of turns lock to lock.

Correction

A decal will be installed on the steering cover of all counterrotation engines that are shipped from the factory.
