## Control Board and Mosfet Replacement

### Models Affected

All Variable Speed Models

### Situation

The control board (DA Module) of all variable speed models was redesigned.

### Correction

When repairing any variable speed motor, it is recommended that both the control board (DA Module) and the mosfet be replaced.

### Parts Required

See the appropriate MotorGuide parts catalog for necessary part numbers.

### Dealer Parts

Please return any stock you may have of the old control board.
