Steering Driven Gears for Laser and Autoguide Trolling Motors

Models Affected

All 1994-2001 Laser II and Autoguide models

Situation

Effective immediately, the steering driven gear (P/N MLF06908) is no longer available (NLA). The driven gear is the large gear that is driven by the pinion gear. Trolling motors requiring replacement of the driven gear will need a replacement gear motor assembly, which includes the driven gear.

Parts Required

Qty. 1	MLF312615	12 volt Gear Motor Assembly
Or		
Qty. 1	MLF312625	24 volt Gear Motor Assembly
