No. 92-7

A. REPLACEMENT CYLINDER HEAD – P/N 937-4287A2

Model

MCM 150/160/165 L6 Stern Drive Engines

Change

The replacement cylinder head listed above, uses a larger diameter exhaust valve stem than the cylinder head this replaces.

.3405 in. (8.648 mm) – P/N 34528 old exhaust valve stem diameter

.3705 in. (9.410 mm) – P/N 823631 new exhaust valve stem diameter

Replacement Parts

If you order a cylinder head P/N 937-4287A2, 6 new exhaust valves P/N 823631 will be sent with the new head.

If you just need the exhaust valves, please measure the stem diameter of the ones your replacing, then order P/N 34528 or P/N 823631.
